Vol. 6

10<sup>th</sup> March 2023

Dear Parents,

It might be Spring'2 but spring has not sprung! We have tried not to allow the weather to dampen our spirits.

We are still in the winter uniform until after Easter, therefore, shorts should not been worn until then. As a school, we have allowed 'trainer' style black shoes as uniform as these are more durable and practical. Sadly, we are seeing more trainers that are not just black, being worn as school shoes. Children are picked up by staff across school if they are not wearing the correct uniform. This can be prevented if they are sent into school wearing the expected uniform.

This week we have had to make last minute changes to the food choice and school day due to unforeseen circumstances and the weather. Messages were sent out on School Life. Please do check that your School Life app is active and that you are logged in. This app is our main communication method and will be used to keep you up date with any last minute changes.

Mrs Shepherd

## LIVING LIFE IN ALL ITS FULLNESS

Over the past month, the school community has raised £1,055 for the earthquake victims. After hearing about the tragedy of the earthquake in Turkey and Syria, school jumped into action like true courageous advocates. Year 6 walked over 200 miles in one morning and raised £593 doing this, year 3 organised and held a toy fair raising £462 and year 1 donated warm clothes which were sent into Oxfam. This is truly a community effort, thank you very much for your support and generosity.

## World Book Day 2023!

World Book Day was enjoyed by everyone in school. The 'Golden Ticket' winners were very excited. Year 3 are still searching for theirs.

## Sports News!

Our football team continue to represent school in the football league, in their own team. I am very proud of their commitment and they should also be. We have upcoming netball matches and which the year 5/6 children representing school good luck.

## Bikeability

Bikeability will be visiting school next week. We prioritise personal development at St Margaret's and strive to offer opportunities that will provide children with life skills such as being safe when riding their bike, training as first aiders (year 6), training as mental health champions and swimming.

## Mother's Day

EYFS & KS1 Children will be celebrating mother's day on Friday 17<sup>th</sup> March with their special person. Please make sure your reply slip has been returned to the school office. Thank you.

With three weeks left in school until Easter, there is still a lot planned so please study the diary below so you do not miss anything.
